OBJECTIVE

Innovative and detail-oriented B.Tech CSE student at GGSIPU passionate about building modern, responsive web applications as a Full Stack Web Developer. Adept at problem-solving, API integration, and creating scalable, efficient solutions that improve user experiences.

TECHNICAL SKILLS

Frontend HTML5, CSS3, JavaScript, React.js, Next.js
Backend Node.js, Express.js
Database MongoDB, MySQL
Tools Git, GitHub, VS Code, Vercel, Netlify, Render
Languages C, C++, Python, Java

EDUCATION

2023–2027	Bachelor's Degree at GGSIPU	(CGPA: 7.83)
2023	Class 12th CBSE Board	(7.0 CGPA)
2021	Class 10th CBSE Board	(7.8 CGPA)

WORK EXPERIENCE

Web Developer Intern, Future Interns 21 June, 2025 – 21 July, 2025

Ensured user satisfaction by providing responsive tech support and tracked bug patches and feature requests using project management tools. Collaborated closely with developers to update the website and deliver new features. Contributed to the app landing page using HTML, CSS, React, TailwindCSS, Bootstrap, and JavaScript, applying UI/UX design principles and best practices throughout the development lifecycle.

PROJECTS

ShopEase E-Commerce Website Link to Demo

A modern e-commerce platform built with Next.js that offers fast, responsive, and seamless online shopping. It includes features like product search, cart management, secure checkout, real-time inventory, and user authentication. Built using TypeScript, Tailwind CSS and deployed on Vercel for high performance.

AI Interview Platform Link to Demo

A real-time AI interview agent that enables users to practice interviews interactively using voice. By integrating Speech-to-Text, Large Language Models, and Text-to-Speech, the system creates a realistic interview experience tailored for students, professionals, and recruiters seeking to improve their interview performance.

EXTRA-CURRICULAR ACTIVITIES

- Participated in **Adobe India Hackathon**, **Cognizance (IIT Roorkee)**, **CodeSlayer (NIT)**, and **Manthankriti**, etc. Gaining hands-on experience in collaborative and fast-paced environments, sharpening skills in rapid prototyping and teamwork.
- Attended workshops on **Web Development** and **Data Analytics**, building deeper understanding of modern tech stacks and data-driven problem solving.
